

## 91 Project

Date: December 6, 2017

CONSTRUCTION ALERT

[Anuncio en español](#)

### **Weekend Full Closure, Westbound 91 Main Street On-Ramp December 15-18, 2017**

As part of final construction activities for the Riverside County Transportation Commission's 91 Project, the westbound 91 Main Street on-ramp will be closed for repaving from Friday, December 15 at 9 pm to Monday, December 18 at 4 am. If rain occurs, the closure will be postponed to the next weekend.

The closure will allow crews to remove temporary asphalt that was placed during construction and replace it with permanent concrete pavement, creating a smoother ride for motorists.

Motorists should plan ahead, allow extra travel time, use the westbound 91 Lincoln Avenue on-ramp as the detour route, visit local businesses, and share this information with others.

Special care should be taken when driving through the area during this busy holiday season; please watch for construction workers and equipment and never drink and drive. RCTC wants to make sure its construction workers and the motoring public make it home safely to their families each night.
